

# Midnight basketball, life skills, a meal and free transport home

Midnight basketball is again being held at the Northern Beaches Indoor Sports Centre at Narrabeen by Pittwater Council.

The first round of tournaments will be held on Saturday nights from August 20 to September 24 between 7.30pm and midnight. They are open to young players aged 12 to 18. A second tournament will run from October 22 to December 10.

Young people taking part play three matches, receive a free meal and life skills workshop, plus free transport home at the end of the night.

Mayor Harvey Rose said the programme could run again because of the great support received from volunteers and sponsors. More volunteers over 18 are needed as are sponsors who can provide offers of cash or in-kind services

The Council is supporting Youth Reach, a youth help group which runs a

programme alongside Midnight Basketball.

For more information and details of how to register visit [www.midnightbasketball.org.au/locations/pittwater](http://www.midnightbasketball.org.au/locations/pittwater)

To volunteer or to provide sponsorship contact Suzi Pawley on 9970 1152.

Register now for Saturday nights starting August 20.

# New cycling craze expected to follow Cadel Evans' win

Cycle shop proprietor Chris Band of Northern Beaches Cycles, expects a new enthusiasm for cycling to follow the Tour de France.

Australian Cadel Evans's great win after a 20-year campaign and two second places was an amazing feat of skill and endurance. Chris and his son Adrian run both the Northern Beaches Cycles at North Narrabeen and Belrose Cycles and are both keen cyclists themselves.

Their shops stock everything a cyclist's heart can desire from children's

beginner bikes to top of the line performance and mountain bikes.

To celebrate the triumph of the Tour de France Chris is having a sale on Fuji and Orbea Bikes, with big reductions on some hi-tech equipment, like the Fuji SST 1.0 D-6 Carbon Frame Shimano DuraAce - reduced by \$1,000.

Check out their instore bikes and accessories and start pedalling.
